

NOTICE OF CONSTRUCTION

November 12, 2009

Richardson Development will soon commence work in the northeast portion of the SW31-32-1 W5 in Olds. The first stage of construction will include site grading with the second stage to include the installation of deep servicing utilities. The location of these improvements is shown on the inset map.

Extension of Services

Services along 65th Ave will be extended into the future Richardson Community through an existing open space corridor. This trails will be closed to the public during construction. Traffic along 65th Avenue and 55th Street may also be affected. We appreciate your consideration in avoiding this area during construction.

Site Grading

In preparation for the construction of the proposed Holy Trinity School, earthworks will be completed for the school site and adjoining areas. This work will be done in accordance with the conditions of the approved grading permit with the intent to ensure safety and limit disruption and inconvenience to area residents. The grading plan is consistent with the concepts and objectives of the Richardson Area Structure Plan. A copy of this plan is available for viewing at the Town of Olds office.

In accordance with the Town of Olds Noise Bylaw, all heavy construction work will take place between the hours of 7 am and 10 pm, Monday to Saturday, and between 8 am and 10 pm Sundays and Holidays as required.

All efforts will be made to limit disruption and inconvenience during construction and restore the area to its original condition as soon as possible. Thank you for your co-operation. Should you have further information regarding this construction, please contact:
