## General Conditions – PLEASE READ

**Locates must be obtained PRIOR to excavation – contact ALBERTA ONE CALL at 1 (800) 242-3447 or go to [www.alberta1call.com](http://www.alberta1call.com).**

The Applicant must notify Alberta Transportation at 403-340-5166 if they are excavating or working within a 2 block radius of either Highway 27 or Highway 2A.

All completed work is to be inspected by the Town of Olds as soon as possible upon notification of completion.

The fee for a new connection to a municipal underground service trunk main (water, sanitary or storm) is \$1200 per service connection (**non-refundable**). A Performance Bond or Security Deposit equal to the cost of the portion of construction that is on municipal lands is required and will be charged per Rates Bylaw 01-06. The cost for a set of two service connections is \$1500 for gravel surfaces and \$4000 for paved surfaces **per trench**. If costs are greater, the Applicant will be billed for the actual amounts. **It is the Developer/Contractor's responsibility to return the surface excavated to its equivalent or better.**

The Applicant shall contact the Town of Olds Operations Department at 403-507-4833 to arrange for an inspection of the water and sewer connections **PRIOR TO BACKFILLING**. Please be advised that the Performance Bond or Security Deposit will **not** be returned to the Developer if water and sewer connections are not inspected prior to backfilling. Please note that **48 hours notice** must be given to the Operations Department prior to the inspection date desired. Inspections will be conducted between 7.00 am and 3.00 pm Monday to Friday only.

If OLD SERVICES will be abandoned, they must be properly abandoned and inspected by the Town of Olds Utilities Foreman. Please note that **48 hours notice** must be given to the Operations Department prior to the inspection date desired. Call 403-507-4833 to arrange for an inspection. Inspections will be conducted between 7.00 am and 3.00 pm Monday to Friday only.

The Applicant shall contact the Town of Olds Operations Department at 403-507-4833 to arrange for a SIDEWALK inspection. Please note that **48 hours notice** must be given to the Operations Department prior to the inspection date desired. Inspections will be conducted between 7.00 am and 3.00 pm Monday to Friday only.

All excavations within paved roads will be backfilled and compacted in the presence and observation of Town of Olds Operations staff. An inspection is required for any deposit to be returned. Inspections will be conducted between 7.00 am and 3.00 pm Monday to Friday only.

If the work is completed without an inspection from the Town of Olds, the Contractor will be billed for the inspection at cost plus 50% for any work carried out by the Town of Olds or its agent to make any road / alley or sidewalk safe or to permanently complete excavations.

The Applicant will ensure that the work site is maintained in a way that no harm may come to pedestrians or vehicles that may have to pass through or around the site, including barricades and lights if required. Traffic will not be delayed or detoured without authorization from the Town of Operations Department.

The Applicant must submit a time schedule from start to completion of the project for approval by the Town of Olds. The Applicant will be responsible for any work stoppages or deficiencies.

**By signing this application the Applicant agrees to conform to the above General Conditions at all times while working within Olds town limits.**
