There are two schedules per year - a **SUMMER** schedule for April to October, and a **WINTER** schedule for November to March.

SUMMER Schedule notes

- **ALL** bins must be out for pickup by 7.00 am on your pickup day
- If you have **ALLEY** pickup, bins must be placed on **EACH SIDE** of the alley, depending on bin colour, as follows:
 - ☞ **BLACK** bins must be placed on either the **NORTH** or **EAST** side of the alley only
 - ☞ **GREEN** bins must be placed on either the **SOUTH** or **WEST** side of the alley only
- If pickup on your block is only on one side, pickup location is on that side only
- **GREEN** bins will be picked up **EVERY SECOND WEEK** due to the higher volume of compost produced in summer
- **ALL** bins must be placed at least two feet apart from each other and from any obstacles. Bins must not be overloaded, and bin lids must be closed.
