

Construction Fire Safety Plan

Small buildings

Address:

Building Permit #

Description of Project:

Restaurant General Considerations:

FIRE/POLICE/AMBULANCE: 9-1-1

- Address to be posted in conspicuous location
- A warning system will be in place at all sites to warn of potential threats, and facilitate evacuation
- Each site will have a muster point where workers can be accounted for
- A method of notifying the fire department, or other emergency agency shall be available at all times
- Fire extinguishers minimum 2A-10 BC will be available at all times at every site while workers are present
- Access to fire hydrants and buildings for fire apparatus must be maintained
- Hazards Control:
- At the end of each day combustibles will be cleared from the site area, disposed of in bins, or stored in neat piles
- No open-flame devices will be used inside buildings unless a dedicated watch for one hour is in place, check after 4 hours – this includes hot works(welding, soldering)
- Use of propane to conform to the Propane Handling Code
- Propane tanks or flammable liquids containers are not allowed within buildings.
- Smoking is not permitted where conditions are hazardous or potential of ignition exists
- Construction Heaters shall be connected so as to minimize danger of mechanical damage and upset and be installed on a solid level base. Temporary heaters must be placed at least 5 m from combustible tarpaulins or similar coverings. Tarps must be securely fastened to prevent wind from blowing where they could upset the heater or be set on fire. Piping, tubing, hose and fittings shall be supported, secured and protected from damage and strain. Propane regulators shall be properly fastened within the protective cover.

Contact Personnel:

Provide a list of names and telephone numbers of person(s) to be contacted during non-operating hours or in emergency situations.

- Contact (24 hr.) _____

This plan is designed in conformance with Section 2.8.2 of the Alberta Fire Code, and on signature, becomes an agreement between the building owner/contractor and the Town of Olds Fire Department
