The Town of Olds in partnership with Green Drop is conducting a Tree Inventory in our community. The completed inventory will provide detailed information about its trees, including their condition and maintenance needs.

The first engagement session is on November 24th at Jean's Place at the Community Connection Centre. Residents are invited to share information about valued trees and green spaces, areas with limited shade, tree health concerns and potential planting locations.

An online survey is available until December 6, 2026.
