[2025 Olds municipal election debrief: 'Bring back tabulators](#)

Election featured two people running for mayor and 15 for six council seats "so it was a lot," said Olds returning officer

Community News

Olds faces water pipe concerns too, but not as big as Calgary's

"We do face similar problems as Calgary, with aging infrastructure in our water and sanitary systems but the scale of our issues is much smaller than Calgary's.

"One example being is that we have no water pipes near as large as the Bearspaw feeder main, so breaks that happen here, do not cause that level of damage and disruption."

Williams noted that for the past three years, the number 1 focus for Olds staff has been to curb water inflow and infiltration.

Olds selected for data centre project, jobs expected by 2026

A private-sector data centre project is planned for the Town of Olds, with the developer projecting up to 150 permanent jobs and up to \$300 million in initial investment, according to a news release issued by the town.

Data District Inc. plans to develop a data centre campus in Town of Olds, with commercial operations expected to begin in the second half of 2026.

Olds Humane Society website up and running, planning underway to fetch shelter facility

The Olds Humane Society has a goal of raising \$150,000 and working with the town to eventually have a permanent shelter facility in Olds.

Fundraiser Coordinator Abbie Cummings notes that right now they have a lot of foster families that are helping to take care of their animals. She says "so we are looking for foster families or screening for foster families and you can contact us through the [Olds Humane Society on Facebook](#) or you can also find us, we just got our web page up and running, so that is oldshumanesociety.com."
