June 2026

Community Connection Centre

4911-51 Avenue

403-556-7480

Located in the Uptowne Olds core, the Community Connection Centre—funded by the Town of Olds and the Government of Alberta through the Family and Community Services program—links residents, families, and seniors with social preventative services and programming. By assessing community needs and utilizing citizen and Town Council feedback, the Centre works through collaborative partnerships to build opportunities and promote a high quality of life for everyone in the community.

Sunshine Bus Transportation

Call to book your ride: Call the booking line (403-556-8003) Monday to Friday between 9:00 AM – 4:00 PM and one of the volunteer dispatchers will reserve the time slot for your trip.

Payment Options:

\$5.00 / one way per person

Punch Pass (11 trip punch pass) - \$50.00 / One punch per person

Cash or Punch Pass only.

Punch passes can also be purchased from the bus driver (cash only) or at the Community Connection Centre (4911-51 Ave.) but by cash only.

55+ Social Connection Programs

Are you a senior looking for exciting new ways to stay active, explore your creative side, and build lasting community connections? We have a wonderful variety of engaging monthly programs designed just for you! Please see the Olds Community Calendar of Events for dates. www.olds.ca

Cooking Connections

Join us once a month for a hands-on cooking experience guided by an AHS Dietitian with Cooking Connections, where you can create tasty dishes, share a meal, and make new friends.

Cost: \$5.00/class

Must register by calling 403-556-7480 and press 1.

Painting and Craft Classes

If you are looking to explore your artistic and creative side, our Art Classes and Craft Classes offer a fantastic, social setting to learn new hobbies, work on unique projects, and create beautiful pieces to take home.

Cost: \$5.00/class

Must register by calling 403-556-7480 and press 1.

Bus & Bond Trips

For those looking to hit the road and experience new adventures, our Bus & Bond Trips provide the perfect opportunity to travel together, explore regional highlights, and bond over shared experiences. Space is limited for these fantastic sessions.

Price varies per trip and participants must register by calling 403-556-7480 and press 1.

Subsidized Housekeeping Program (65+)

The Community Connection Centre wants to help older adults age well in their own homes and our housekeeping program supports this goal. This program is for Olds residents who are 65 years and above.

Check the table below to see if your income qualifies you for the program.

Marital status	Annual total income	Funding level
Single senior Senior couple	\$30,370 to \$33,770 \$48,621 to \$56,820	Eligible for Subsidized Housekeeping Service, through the Community Connection Centre. Please fill out an application form.

*Please note this program has limited space available. First come, first serve.

**If your income falls under our threshold then you can apply for the provincial reimbursement program. Our 55+ Community Link Worker can help you on Wednesday mornings at our weekly drop in support from 9:00 AM - 12:00 PM

55+ Community Link Worker

In every community, older adults make a vital impact as mentors, volunteers, and family members sharing a lifetime of wisdom. While they deserve independence and dignity, many Albertans—especially those living alone—lack the community-based resources needed to complement their medical care. Crucial social supports, like food and housing programs, are essential to help those over 55+ age in place, remain active, and avoid higher levels of care.

To address this, our 55+ Community Link Worker bridges the gap between medical and social care; instead of handing out medication, they address the root causes of poor health by connecting seniors to non-clinical community supports, helping them remain independent, active, and socially engaged. For more information on accessing these resources.

Call our Link Worker at 403-556-7480 (press 4) or via email at FCSS@olds.ca.

Peaks to Prairies Primary Care Network (PCN)

Seniors Health Nurse

Who can benefit from this service?

The Seniors Health Nurse supports adults (≥ 65 years) through the aging journey. Our Seniors Health Registered Nurse is available to complete a thorough evaluation of the medical, functional and social needs of you, or a family member who may be experiencing concerns regarding healthy aging.

What happens at my appointments?

You will have individual appointments with our Seniors Health Registered Nurse who will work with you, your family/caregiver and your family doctor to develop a care plan to best meet the needs of you and your family. Through our emphasis on person-centered care, you will work in partnership with our nurse to help you navigate community and health services with a goal of maximizing overall healthy aging.

How do I access the service?

You can access this service by asking for a referral from your Peaks to Prairies PCN family physician. This service is by appointment only.

Where is the service located?

Our Registered Nurse sees patients in Olds and also can visit you in your home. Appointments are available Wednesday to Friday from 8:30 – 4:30.

Other services available in the PCN by referral are:

Programs and Classes

- Anxiety to Calm
- Journey through Grief
- Happiness the Basics
- Moving on with Persistent Pain
- Relationships in Motion
- My Way To Health
- Walking Group

Phone Number: 587-796-0765

Location: 4920 - 50 Avenue Olds

Connect Seniors

Accredited Supports to the Community (ASC)

Serves seniors and older adults (55 plus) in the Mountain View County region who require supports to feel safe, secure, and socially connected while they remain living in their homes as they age.

Services are provided as a fee for service and a sliding fee scale is available for as long as there are program funds available. Access to the sliding fee scale is based on recorded annual gross income.

The service fee can slide from \$8.25 – \$33 per hour; and the transportation fee can slide from \$0.13 to \$0.50 per kilometer.

Required services are determined by the client and/or their caregivers and will be delivered by a team of professional and trained staff using a person-centered approach.

Services include:

System Navigation: provides access to and knowledge of relevant community support services and resources relevant to their needs (income and government support services, homeowner services).

Transportation: escorted transportation, utilizing CSS staff-owned vehicles to provide support to attend medical and non-medical appointments within the Olds area, including shopping, errands, and social events.

Companionship: staff will spend time with you in your home, doing activities you enjoy, addressing loneliness or isolation and increasing your sense of safety and well-being.

Social Support Connections: staff will provide transportation so you can attend community events, visit with friends, or do other day-to-day things you enjoy.

Respite: provides primary caregivers with a break from care-giving.

Homemaking: staff will assist with meal clean up and general tidying or will make referrals for full housekeeping services.

Meal Support: staff will assist with meal planning, shopping, and preparation, and provide companionship during meals.

For more information on this program please contact our team:

Phone: (403) 556-4110

Email: connectseniors@asc-mva.ab.ca

Mountain View Hospice Society

Home and Hospital Hospice Care

Our team provides support to individuals and families, whether at home or in the hospital. Our trained volunteers offer companionship and respite care, sitting beside those in need and giving caregivers a necessary break. We assist with navigating the healthcare system, helping families manage the many challenges and changes that arise during the palliative journey. We can also connect you with essential information and resources, serving as a guide through difficult times.

Grief and Bereavement - Bridging

Our Bereavement Support team offers one on one support to those experiencing loss. This is open to our client's family members as well as the community at large. We offer compassionate support at no cost for up to four sessions with trained facilitators to learn coping strategies as well as give a safe space to express thoughts and feelings.

Navigation Care Services

Navigation-CARE 's specially trained volunteer navigators help improve the lives of people living with chronic/terminal illness by creating connections to community services and resources and providing caring, compassionate emotional and social support.

Nu2U - A Community - Focused Service

Nu2u is a valuable community resource, and provides a small amount of funding for the Hospice Society Operations. Nu2u is a fantastic place and is both a community service and sustainability initiative.

Nu2u provides:

- A safe space for community connection and mentorship
- Sustainability efforts through reuse and waste reduction
- Support for individuals in need, including those identified by partner organizations, such as individuals recovering from domestic violence, newcomers to Canada, and refugees

Home Care - Assisted Living Alberta

Home Care is a health service that assists individuals of all ages to live safely and independently in their homes while reducing the need for hospital or long-term facility stays. It includes a wide range of support such as nursing care, personal assistance with daily activities, rehabilitation therapies, and palliative care. Services are coordinated by a Case Manager and tailored to each person's needs through an assessment process.

Clients can access home care through self-referral or healthcare provider recommendations, and care is delivered by ALA staff or contracted providers.

To register or for more information call Central Access at 1-855-371-4122

To find out more information Self Managed Care(SMC) or Client Directed Home Care (CDHI) program, please call Central Access 1-855-371-4122.

Specialized Geriatric Services (SGS)

The Seniors Health Clinic helps older adults (usually 75+) who are experiencing a sudden drop in their health or independence. If you or a loved one are struggling with unexplained health changes, our team provides assessments to figure out what is going on and how to help.

Referral needed

A doctor's referral is required. Assessment is done by the SGS team.

Men's Shed of Olds

Men's Shed is a part of an international movement that offers a casual, supportive space where men can connect, socialize, and work on meaningful projects. It is designed to reduce isolation, build friendships, and enhance the mental health and well-being of men in our community. Each Men's Shed is unique to its community, with some inviting participation from women also. We want to hear your ideas on how the Old's Men's Shed can best reflect the interests and skills of our residents. Come let us know your interest areas; whether it be woodworking, metalworking, gardening, cooking or bike repairs and more!

How can I get involved?

Please reach out to any of our steering committee members for more information.

Indigenous Cognition & Aging Awareness Research Exchange

Dr. Kristen Jacklin founded the Indigenous Cognition & Aging Awareness Research Exchange (I-CAARE) in 2015.

The goals of I-CAARE are to (1) explore and promote healthy aging with Indigenous peoples, and (2) raise awareness about cognitive health in Indigenous communities.

Team 20 has two focus areas: rural and Indigenous. The Indigenous team is the only team within the CCNA investigating neurodegenerative diseases in Indigenous communities. For this, we have received partner funding from the Institute of Aboriginal Peoples Health at CIHR to research quality of life for Indigenous people affected by age-related dementia.

Information is available on line including:
