

Olds Aquatic Centre

Spring is just around the corner, and we're excited to share some fantastic updates from the Olds Aquatic Centre! Our spring programming and lesson registration will open on Friday, March 21, so get ready to dive into some exciting new opportunities!

New Programming for Spring 2025:

This spring, we're thrilled to introduce a fresh program to our roster – Water Warriors! Designed for youth aged 11-16, this Monday afternoon session is all about fun, fitness, and making a splash. Water Warriors will offer a variety of activities including volleyball, underwater hockey, water polo, and fun relay races, just to name a few. Each week, participants will enjoy a new and exciting water-based challenge.

For those interested in becoming swim instructors, we're offering a Swim Instructor Prep Course. This course is tailored to help participants develop the skills needed to become successful swim instructors, focusing on stroke finessing, skills demonstration, progressions, and stroke correction. Plus, there will be opportunities for practice teaching to build real-work experience. This prep course will be the perfect lead-in to our summer swim instructor training course.

Mom & Baby Aquafit Program:

Moms with babies ages 6-24 months, we've got something special for you! Our Mom & Baby Aquafit program will return this spring. This program offers a wonderful chance to bond with your little one in the water and incorporating them into your workout while also meeting other moms in the community. It's a fun way to get some exercise and make new connections.

WIBIT Fun:

Have you checked out our WIBIT yet? This floating water obstacle course is making waves in our Friday evening programming. It's the perfect way to end your week with a challenge and a lot of laughs. The WIBIT can also be added to your pool rental, making it a great option for parties, group events, or just a fun day at the pool.

Annual Easter Bunny Swim:

Mark your calendars! Our annual Easter Bunny Swim will take place on Saturday, April 12. Stay tuned for more details as we hop closer to this fun-filled event!

We can't wait to see you at the pool. Be sure to register starting March 21, and we look forward to having you join us for all these exciting programs and more!

COMMUNITY GRANT FUNDING

Mountain View Power (MVP) is an energy marketer that sells natural gas and electricity to homes and business in Olds and surrounding areas on behalf of UtilityNET, a Calgary based energy retailer.

The Town of Olds is seeking partnerships with local organizations to build and strengthen our community through the MVP Community Grant Program.

The MVP Community Grant will provide financial assistance towards projects that enhance and enrich our community. This funding is geared towards not-for-profit and non-profit organizations that impact a broad section of the community.

The deadline to apply is April 16 at 2:00 PM

Industrial Land For Sale - 6402 46 Avenue

The lot for sale is 4.3 hectares (10.6 acres) in size and located within the future growth area of the Olds Cemetery. At Council's direction, Administration investigated projected cemetery growth and found that the Town has over 200 years of available growth for the Olds Cemetery based on current and projected burial rates. Administration suggested there is a more imminent need for serviceable land in the SE Industrial Park.

With this sale, there will be between 35 – 45 years of available growth in the Olds Cemetery. Any future development on this parcel will also be subject to a developer installing adequate fencing to ensure material does not migrate into the cemetery area. Administration has also directed ISL Engineering to investigate a future cemetery site during the MDP and LUB review in 2025. The lot is valued at \$400,000 which is in line with the average per acre sale price in the SE industrial over the previous decade.

For further details and questions, please email caoadmin@olds.ca
