Town of OLDS

FOUNDATION REPORT

Please e-mail completed form to planning@olds.ca

Development Permit #_____ **Civic Address**:_____

After the foundation has been constructed further work on the building must cease until such time as a drawing prepared by an Alberta Land Surveyor has been submitted to and approved by the Development Officer confirming that the building's foundation and grade elevations at top of footings is consistent with the approved plans. Failure to submit the required drawing may result in a Stop Order being issued by the Development Authority.
