

Oliver Olds and The Case of The Missing Cowboy Hat

Oliver Olds has just received his first letter from his pen pal Squirt the Skunk from Beiseker. Squirt wants to know about all the fun and interesting things there are to see and do in Olds. Oliver decided he wanted to show Squirt and take some photos to send along with his letter. He decided to wear his cowboy hat during his adventure and when he got home he realized he had left it somewhere along his travels.

Use the puzzles he *sketched* in his travel journal to decipher the codes to help Oliver retrace his steps to find where he left his hat.

Instructions:
