

Toilet Replacement Program

Don't Flush Your Cash - Rebate Savings Are Here!

TOILET REPLACEMENT PROGRAM

Your big, old toilet is costing you a fortune! A toilet can waste thousands of litres of water every year, figuratively flushing your money down the drain. New six-litre toilets with proven technology can give the same results with less water, saving up to two-thirds water with every flush, and saving you up to \$100 per year in water and sewer charges.

The Toilet Replacement Program gives Olds citizens an opportunity to receive a toilet replacement Rebate for replacing old toilets with new water saving toilets. Applicants may be eligible for a toilet replacement Rebate by installing water saving six-litre, 4.5-litre or three-litre / six-litre dual flush toilets. Rebates - \$50.00 per toilet.

Water saving toilets can cost as little as \$150.00. Review the performance information and choose a toilet best suited to your home or office.

HOW IT WORKS

STEP 1 - Determine Eligibility

Eligible Applicants:

- Current Town of Olds Water & Wastewater Utility customer
- Utility Account in good standing
- Replace a 13-litre or 20-litre toilet.

PLEASE NOTE: homes built and renovations completed AFTER January 1, 2007 are NOT eligible for rebates under the Town of Olds Water Conservation Bylaw.

STEP 2 - Purchase New Water-Saving Toilet

Eligible Toilets:

Six-litre (6L), 4.5-litre or three-litre / six-litre (3L/6L) dual flush toilets. Sales receipts must be included with your application. Maximum of five toilet replacement Rebates per Utility account.

STEP 3 - Toilet Disposal

Complete an application form and bring to the Town Administration Office, 4512 46 Street. Dispose of toilet appropriately. Limit of 5 toilets per Utility account.

STEP 4 - Application for Rebate

To Receive your Rebate - Send in, or, bring in the following:

- Completed application form
