

## Permit Zone A – Streets by Olds College

The streets around Olds College between 46 Avenue and 47 Avenue are designated "Parking Zone A" by Town Council. This bylaw was passed in 1997 at request of the residents to ensure adequate on-street parking for residents of these areas. Parking restrictions in this zone are in effect from 9 am to 5 pm daily, except Saturdays and Statutory Holidays.

Everyone parking within this zone during these hours is required to display a Resident or Visitor permit. Vehicles without valid permits visibly displayed may be ticketed.

If you are a resident in this zone, apply in person at Town Office for your free permit(s). Proof of residence and vehicle registration are required before any permit will be issued. Permits expire each year on 30 June. You must re-apply for a new permit each year before your current permit expires.
