PUBLIC OPEN HOUSE

Draft Intermunicipal Development Plan and Proposed Annexation

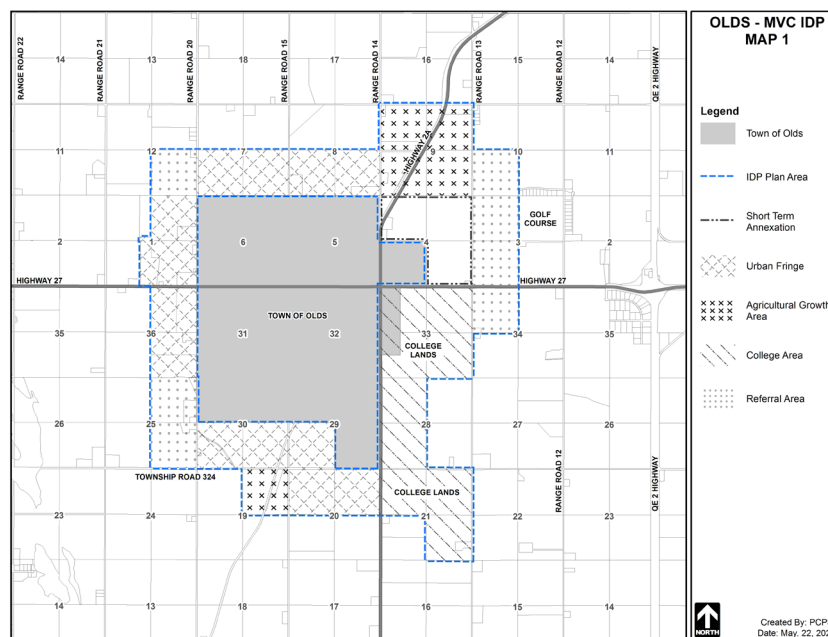

Mountain View County and the Town of Olds have been reviewing the current Mountain View County and Town of Olds Intermunicipal Development Plan (IDP) over the past several months. The purpose of the review is to update the plan that was adopted in 2006 to:

- reflect changes in Provincial legislation;
- account for growth that has occurred and is anticipated; and
- confirm the relevance of current plan policies.

As part of the IDP Review the Town and County have also evaluated the need to expand the Town boundaries. This resulted in the identification of lands for short term annexation and the creation of a proposal for Annexation by the Town.

The Draft Intermunicipal Development Plan and the proposed annexation area are now available for public review and comment.

A copy of the Draft Plan and a map showing the area proposed for Annexation is available for viewing by visiting www.olds.ca/statutoryplans and clicking on the tab labelled "Inter-Municipal Development Plan & IDP Update."

The Town and County will be hosting an open house on Thursday, August 27, 2020. You are welcome to attend to find out more about the Draft Plan and Annexation and offer your comments.
