Notice of Development

The Town of Olds has authorized the conditional issuance of the following permits. Any person who deems they may be affected by the issuance of these development permits may appeal to the Regional Subdivision & Development Appeal Board of the Town of Olds within twenty-one (21) days of the date of the publication of this notice. Appeal applications are to be filed with the Secretary of the Regional Subdivision & Development Appeal Board at Parkland Community Planning Services, and must include your name, address and phone number.

Development Officer Approvals, June 9, 2020

DP20-72 Residential Addition (12 x 20 Roof Over Existing Deck)
19 Vera Close; Lot 43, Block 4, Plan 091 4716
Applicant / Owner: Jack & Judith Johnston

Employment - Manager of Operations

As part of the Town of Olds Operations department, this position works with outside staff to maintain 208 km of underground infrastructure, 104 km of roads, 18 km of paved trails, 2 km of unpaved trails, over 350 acres of parks, and maintain infrastructure for 9184 residents.

This position reports to the Director of Operations and through 4 direct reports and 1 administrative assistant, is responsible for the Building Maintenance, Parks, Public Works, and Utilities divisions of the Town of Olds. The Manager works with their direct reports to coordinating projects, staff, and resources to achieve the service levels set by Council. Working with the Engineering Technologist, the incumbent will ensure contractors, developers, and builders adhere to the Town of Olds Design Standards. This position aids the Director of Operations with budgeting, capital project planning and provides information and updates related projects and question from Council.

Qualifications:

- Completion of Grade 12 or equivalent.
- A valid Class 3 driver's license with Q air endorsement.
- Level I Alberta Environment certification in Wastewater collection, and Water distribution (Level II certification considered an asset).
- A Level II Public Works Supervisor Certification or a willingness to obtain.
- A minimum of 5-years supervisor experience in a municipal environment.
- Valid Standard First Aid/CPR certificate.
- Ability to operate departmental equipment such as loaders, backhoes, tandem trucks, graders, vacuum trucks.

A detailed job description including specific qualifications can be found on the Town of Olds website at www.olds.ca/contacts/employment-opportunities. Interested parties are invited to send a cover letter and resume outlining their qualifications and a current driver's abstract by July 13, 2020, at 8:30 am MDT to:

Human Resources, Town of Olds
4512 46 Street, Olds AB T4H 1R5
Fax 403.556.6537; E-mail: hr@olds.ca

The Town of Olds thanks all applicants, but only candidates selected for an interview will be contacted.

Winter Waste Water Averaging Program Approved

For the months of July, August and September the winter averaging method will be used to calculate your wastewater charges.

This method uses the lesser of your actual consumption or the 'average' of your consumption for the 9 month period October to June. At present your wastewater consumption is based on your water consumption, using the winter averaging method will allow residents the opportunity to water their lawns, flowers and gardens without worry of increased wastewater charges.

The Town of Olds encourages you to be water wise and limit outdoor watering. For more water conservation tips visit <https://wateruseitwisely.com/>.

Business Re-Opening Grants Available

The Town of Olds Business Support and Recovery Task Force was formed in March to support local Olds businesses impacted and closed by COVID-19. This task force is a think tank comprised of local business leaders, financial experts and representatives from the Chamber of Commerce, Olds Institute and the Town of Olds.

The task force launched an outreach program to better understand current conditions brought on by COVID-19. It was determined that providing a quick and easily accessible grant was a priority and Olds Town Council responded by creating the Business Re-Opening Program.

Local Storefront Businesses are eligible for a \$500 grant, and home based businesses will be eligible for a \$100 grant. These funds can help businesses modify public spaces to support physical distancing requirements, purchase personal protective equipment (PPE) or other immediate supplies needed to support re-opening. Applications are available on our website at www.olds.ca

Spring Clean Up Week July 20 to 24, 2020

Olds Spring Clean Up week will be held **July 20 - 24, 2020**. During this week, Town of Olds Operations staff will pick up extra household waste that does not fit into your black bin.
