

VAPOUR TESTING OF SEWER LINES

Wed Sept 13th - Fri Sept 15
Mon Sept 18 - Fri Sept 22

7:30 am - 5:30 pm weekdays only

Vapour is being released into the sewer system to find leaks, cracks and defects. It is a proactive, safe, and non-invasive method to find sewer line leaks for repairs. There will be no service disruptions and minimal traffic impact. Watch for notice boards in your area.

You may see vapour exiting from manhole covers, drains or the ground. **This is normal.** The vapour does not pose a fire hazard.

Community Connection Centre

What is the Community Connection Centre?

Located in the Uptown Olds core, the Community Connection Centre links people in the community with social preventative services, programming, and information. We serve individuals, seniors and families.

What services will I find there?

- Support for seniors, such as support with filling out forms for Provincial Support programs, transportation through the Sunshine Bus, subsidized housekeeping and connection to other resources for seniors in our community.
- Connection to child and youth services and programs in Olds.
- Services provided by the Mountain View Emergency Shelter Society.
- Connection for those seeking to connect with their Indigenous roots or seeking to increase their knowledge on Indigenous Culture.
- Town of Olds Cemetery Services.
- Information and referrals for families including parenting support, children's programs and subsidized counselling programs.
- Bookable office and programming space available for nonprofit or community organizations.

How to connect to our services

Drop-ins are welcome, appointments encouraged. If you are looking to book Jean's Place, or an office space, contact: Email: facilitybookings@olds.ca or call 403-556-3244. Address: Lone Pine Professional Centre 4911 51st Avenue, Olds, Alberta
