Public Advisory

Subject: Controlled Burn at 5223 54th Street, Olds

On Saturday, July 9, 2022, Olds Fire Department will be doing a controlled burn at 5223 54th Street. During this period, signs will be placed along the road indicating that there is training in progress. Please note that you might see thick black smoke coming from that area as well. There is no need to report or call it in.

Over the past several months, Firefighters have been using this property to work on several objectives, including effective communication, implementation of proper safety protocols, deployment of equipment and manpower, and protection of the community and environment.

The Olds Fire Department would like to thank Olds Regional Exhibition for their donation of the property and continued support.
