Check us out! Provide Feedback! Submit A Photo! WIN a GREAT Prize!

Nope, this is not an April Fool's joke! The Town of Olds is thrilled to let you know that their new website launched on April 1, 2019!

The site was designed and built from the ground up to be responsive and easy to view on any type of device including smart phones and tablets.

It features a clean and simple appearance, ease of navigation, accessibility and search functionality, as well as a Virtual City Hall where you can sign up to manage all your Town of Olds accounts including payment of utility bills, business licenses, search for a lost pet, etc.

Everyone is encouraged to visit the site often and stay up-to-date with what is happening in the municipality.

You are invited to take part in an online photo contest - photos can be uploaded to the website photo gallery. You will have a chance to win GREAT prizes. The photo contest will run until July 31, 2019.

Although the site has gone live, the Town wants to continue to improve it. Your feedback is welcome and very important as we want this to be a very usable product and service to the community.

Please STAY OFF THE PLAYING FIELDS!

The Town of Olds is asking residents, sports teams and event organizers to stay off the ball diamonds and sports fields **until they are OFFICIALLY OPEN!**

We ask for cooperation from all users to remain off the fields for safety reasons and to prevent damage during spring conditions.

Fields and ball diamonds will be inspected and prepped to open May 1, 2019 weather depending.

The Town will notify user groups if field use is available prior to May 1, 2019.

P.U.G. Day in Olds Friday, May 10, 2019

The Lions Club of Olds, with its many partners, is once again coordinating a town cleanup day called P.U.G. Day (Pick Up Garbage Day)

The students of our 5 major schools in town, The Legion, and other organizations will participate on Friday, May 10, 2019 from 1:00 PM to 3:00 PM. Lions members will pick up garbage along the length of highway 27 and 2A as well as the outside perimeter of the CP Rail right of way at the same time.

Citizens are asked to walk around the block on Thursday, May 9th, in the evening or the next Friday afternoon and pick up garbage. Notices will be placed in the paper including a town map indicating where garbage bags can be left. If we all work together, we can clean our town of loose garbage and look forward to a clean environment for the rest of the year.

The Lions Club of Olds will be presenting a Samsung Tablet Lite to one student from each of the 5 schools in recognition of their efforts to create a 'clean environment' in Olds.

A town wide GARAGE SALE will be coordinated on Saturday, May 11. Watch for details of this event in the local newspaper in coming weeks.

Thank you,
Olds Lions Club

Employment Opportunity Summer Staff

Operations - 17 positions

The Town strives for a culture focused on our values of being dedicated, helpful, and knowledgeable. With 181 km of underground infrastructure, 65 km of roads to look after, and a number of different facilities including a two sheet ice complex and 309 acres of green spaces, there is a lot to be dedicated and knowledgeable about. The Town of Olds fosters an environment that is welcoming, collaborative and fun. We work together, respecting each others knowledge and experience, to create a positive, relaxed, welcoming work environment that serves the community and our partners.

We are accepting applications for seventeen (17) summer staff positions from May 6, 2019 to August 30, 2019. Applicants are to provide a three year Drivers Abstract with their application, these can be obtained at any Alberta Registries location.

Hours of Work: 7:00 am to 3:30 pm, Monday to Friday; Half-hour unpaid lunch; two 15 minute paid breaks and may require some weekend and shift work. Wage: \$15.78 per hour.

Qualifications: Valid Class 5 Drivers' License, and a willingness to learn. Due to the physical nature of these positions, candidates must be in good physical condition. Students or recent graduates of horticulture, landscaping, civil construction, or engineering related programs are encouraged to apply.

Full job descriptions are available on the website at www.olds.ca

These positions will remain open until suitable candidates are found. Interested parties are invited to submit resumes outlining their qualifications to:
